

Precalculus

Mr. Rodgers

Class Expectations

1. Come to class prepared and ready to learn. This means I come to class everyday with my textbook, notebook, pencil and calculator.
2. Come to class on time. This means that I am in my seat with my homework out, ready to be checked when the bell rings.
3. Participate in a positive manner. This means that when the teacher is talking the student is not. Raise your hand if you have an answer or a question. Follow directions. If you are supposed to be working on a specific task whether it be taking notes or solving problems you should be doing just that.
4. Respect your classmates as well as the teacher. This means if a classmate is answering or asking a question he or she deserves your full attention. At no time will the harassing of another student be tolerated.

Grading Policy

1. Assessments 90%-- This includes Tests, Quizzes and Projects.
2. 21st Century Skills 10% (Homework and Participation) -- Homework will be check the next class day. I am looking for effort on homework. Participation is how well you meet the class expectations.
