To Parents of Seniors:

I am aware that:

_____ My child has a Virtual High School Block scheduled during the Morning Rotation and has my permission to arrive late or leave campus during those days within the rotation that his/her class is in session. Additionally he/she must scan OUT/IN at the front desk in the high school lobby to ensure accurate attendance in case of an emergency.

_____ My child has a Virtual High School Block scheduled during the Afternoon Rotation and has my permission to leave school early or leave campus during those days within the rotation that his/her class is in session. Additionally he/she must scan OUT/IN at the front desk in the high school lobby to ensure accurate attendance in case of an emergency.

When the bell schedule is modified, students are responsible for meeting their class/schedule requirements for that day within the rotation.
